To Whom it May Concern;

Please see attached the amerided report for October 31, 2022. Here is an explanation of the errors on that report.

- 1. Beginning Balance I used the wrong beginning balance. It should have been \$6,861.
- Expenditures were duplicated. All expenditures happened between 7/22/2022 through 10/27/2022. No expenditures from 10/28/2022 through 12/31/2022.
- 3. Koch Fuels deposit should not have been on the January, 2023 report. It was received on 10/13/2022 and reported on the 10/31/2022 report.

Please let me know if any more explanation is needed.

Regards,
