**Errors/Omissions:**

1. The Campaign Finance Act prohibits the acceptance of anonymous contributions **in excess of \$10**. It is still possible to list personal aggregate contributions during the reporting period that total **less than \$50** as unitemized contributions if donor information and date(s) of contribution are still known by the committee. If donor information is potentially unknown and there is the possibility that donations were **in excess of \$10**, the committee is legally unable to retain the contributions. Please file an amended report that provides the necessary information of contributors who exceeded the **\$10** maximum.
2. The Campaign Finance Act requires dates, names and addresses of payees, purposes of expenditures, and amounts be provided for any expenditures to persons or organizations that exceed the aggregate of \$50. Please file an amended report that provides all the necessary information of expenditures that meet the criterion.

If you have any questions, please feel free to contact this office.
