**Errors/Omissions:**

1. The ending balance for the October 31, 2022 Receipts and Expenditures report is listed as \$10,980.70 while the starting balance for the January 10, 2023 Receipts and Expenditures report is listed as \$0. This discrepancy must be explained in an amended report.
2. The report indicates that \$1,000 of expenditures occurred during the reporting period with the report indicating that there were no funds to spend. This led to a negative balance of \$1,000. If the starting balance is corrected to reflect the \$10,980.70 as mentioned above, this point will be resolved.
