Hello Executive Director Skoglund,

I hope this email finds you well. I wanted to send a follow up to a letter I received stating that I did not file a PAC Registration and Fee for the year 2022 for Next Generation Kansas PAC. I had spoken with Jessica White in August because the structure for this PAC fell through. We did not end up pursuing this PAC. Furthermore, we did not set up a bank account, did not take in contributions and did not make any expenses. I would be happy to file a termination report of some kind if that is possible. Please advise as to what is necessary to remedy this situation as soon as possible. I look forward to hearing from you soon and apologize sincerely for any inconvenience this process has caused.

Best Regards,
