**AMENDED**

Dear Sir/Madam:

Upon receipt of your letter dated July 19, 2006 concerning a potential error in the Receipts and Expenditure Report of a Candidate for State Office for the period 1/1/05 through 12/31/05 for Barbara P. Allen For Senate we contacted Carol Williams of your office to discuss the errors. Based on this conversation please find below an explanation for each potential error and the reason these items should not be considered as errors in the above mentioned report.

Potential error one relates to a Kansas Ophthalmologists PAC contribution shown as being received February 16, 2005. The check was actually received on December 24, 2004 but not deposited until February 16, 2005 so it was incorrectly shown on the report on its deposit date versus date of receipt. Therefore, the money was not received during session.

Potential error two relates to money received from LoanMax. The money was received and deposited in October of 2005 yet the above named report mistakenly showed it as being received on March 31, 2005. Therefore, the money was not received during session.

My apologies for the inconvenience the above errors on the report have caused. If you have any questions or need additional information please don't hesitate to contact me.

Very truly yours,

  
Gisele Sprong, Treasurer
