Greetings,

I am writing to ask that the campaign I recently opened for the 38th state senate district be closed. I appointed a treasurer and opened the campaign last month with the intention of seeking to be appointed to the 38th after it was vacated by Senator Tim Huelskamp. I spent minimal funds, all of which were my own, to correspond with the precinct committee members regarding the 38th seat. I received no contributions and ask that the campaign be closed.

Furthermore, on Friday, December 17, 2010 I was chosen by the GOP precinct committee members to fill the 119th state house seat vacated by Representative Pat George. I am attaching an appointment of treasurer for a new campaign for the 119th house seat.

Please do not hesitate to contact me with any questions or concerns,

Brian A. Weber
