Dear Commission,

On rechecking my ethics reports, I have found a contribution that was left off the January 10, 2012 report. A contribution from Kansas State Farm Insurance Agents & Employees PAC for \$250 deposited 12/30/11 should have been included in that report. That would have brought the cash on hand at close of period to \$81008.39. Assuming that the report should have started with this balance the \$250 donation never got recorded.

The July 30, 2012 did get printed with the correct beginning balance as did the corresponding reports of the amended July 30, 2012 report and the October 29, 2012 report. The only thing that needs to be corrected is the absence of the contribution mentioned above which was never recorded. It was assumed in the balance but was never recorded in the contributions.

Correcting this and reconciling my report for \$4.18 brings my report in balance with my bank account.

Thank you for your help and cooperation in this matter. If you have any further questions, I can be reached at 620-234-5159.

Senator Ruth Teichman
