Ms. Renna:

Earlier this month it came to our campaign's attention that we had received two \$1000 contributions during the 2008-2012 Primary Election cycle from the Western Missouri & Kansas Laborers' District Council PAC, 1101 E. 87th St., Suite 100, Kansas City, Missouri 64131, which is over the maximum contribution limit for a state senate campaign.

On September 13, 2012 a \$1000 check from our campaign was written to the Western Missouri & Kansas Laborer's District Council PAC to refund the overage.

Also, it came to our attention that during the same Primary Election cycle the Kansas Contractor's Association had sent us the maximum contribution, in addition to a \$500 in-kind contribution. On September 24, 2012 a \$500 check from our campaign was written to the Kansas Contractor's Association to refund the overage.

Please don't hesitate to contact us if you need additional information or have any questions.

Sincerely,

Kelly Kultala
