RE: Amended July 26, 2012 Report

Dear Ms. Williams,

Per our last phone conversation, I informed you of a clerical error on my 2012 Primary Report, and I was instructed to amend my prior filing by way of letter, which is the purpose of this communication.

As I mentioned, I erroneously reported receiving a \$2,500.00 contribution from Security Benefit Life Insurance PAC on July 25, 2012. That was not the case. The contribution was only for \$250.00. As such, the total amount of contributions I received was only \$16,099, not \$18,349. Additionally, the cash-on-hand amount should have stated \$43,056, as opposed to \$45,306.

Please accept this letter as an amendment to the July 26, 2012 Primary Report and know that the accurate figures, as stated above, are reflected in my 2012 General Report, which is filed on today's date.

Sincerely,

Terry Bruce,  
Candidate for 34<sup>th</sup> Senate District
