Re: Steve Abrams Receipts
And Expenditures Report

Dear Ms. Williams:

I am responding to your Notification of Material Error or Omission dated August 12, 2013. I have gone back through all the information I have, trying to resolve your question. There is no deposit of a check from Kansas Dental Hygienists PAC during the time period July 27, 2012 through October 25, 2012. The cash on hand balance shown on the report is reconciled to the bank statement so there is not a deposit we have not accounted for.

On November 2, 2012 there is a cashier's check from Capitol Federal in the amount of \$150.00 that was deposited. The date on the check is actually October 23, 2012. If this cashier's check was actually from the Kansas Dental hygienists PAC, there is nothing on the check to so indicate. This check was reported as a receipt on the December 31, 2012 campaign report.

I have no other information to give you on this question.

Please advise if there is anything else I can do.

Sincerely,

Elliott Jackson

Re: Steve Abrams Receipts
And Expenditures Report

Dear Ms. Williams:

This letter is additional information concerning the letter I sent you on August 14, 2013.

The check in question was actually from Kansas Dental Hygienists PAC and should have been reported as such. However as noted in my letter of August 14, 2013, there was no indication on the cashier's check from Capitol Federal that the contribution actually came from Kansas Dental Hygienists PAC.

Sincerely,

Elliott Jackson
