Notification of Material Errors or Omission
In A Receipts and Expenditures Report
For Johnny Dunlap II for Senate District 38

In the notices dated May 29, 2013 we were informed of two (2) expenditures that were not allowed as campaign expenditures.

From October 29, 2012 report:

08/10/12 Longs INC Dodge City Dress Clothes for Photos \$ 261.48

From January 10, 2013 report:

11/06/12 JC Penney Dodge City Campaign Shirt \$ 16.34

Totaling \$ 277.82

In a follow up telephone conversation I was given the options of making a donation to charity, or to the County Central Committee or refunding this amount to donors.

Since the Campaign has been closed I was instructed to send proof of the transactions to your office.

Johnny has chosen to refund a donor. Enclosed are two canceled checks for \$100.00 each. He will refund the remaining \$77.82 this month and I will send the canceled check at that time.

Sincerely
