K.A.R. 19-29-5(6) states computer generated campaign reports will be acceptable provided that the type is no smaller than pica (10 characters per inch). K.S.A. 25-4148(e) further states that the Commission may require any treasurer to file an amended report for any period for which the original report filed by such treasurer contains material errors or omissions.

The font size for the July 30, 2012 Receipts & Expenditures Report filed by the Jeff Melcher for Senate campaign is too small. No amended report is required for this error. However, the October 29, 2012 report must be filed with a font size of 10 or larger.
