To Whom It May Concern,

10/JAN/15

I am writing this letter to better clarify questions about my campaign account and contributions from the Kawartha County Republican Central Committee. The numerical #972 written on 10/31/12 was never received by my campaign and therefore, never deposited. A check #974 was written to replace the check number #972. Another check was written to the campaign as well #975. A subsequent check #980 was also written. The checks total \$2000.00 made on a single deposit.

Anthony R. Brown

#974 - \$750

#975 - \$750

#980 - \$500

\$2000

I have reimbursed the Kansas Rep. Party for \$3500⁰⁰ that I received & deposited during the legislative session black out on contributions. My campaign account has been closed so I have written this ~~as~~ check from my personal account per several conversations with Govt Ethics Commission.
