Re: Material Error or Omission – Southern Star Contribution

Dear Ms. Williams,

The recent notification of material error or omission sent to my campaign highlighted a 2013 contribution from Southern Star Central Gas Pipeline that was reported as having been received on September 4, 2013. The notification stated that, if anything stated in that notification was in error, I should report that fact to the Commission by letter. After diligent review of my records and those of my bank, I have determined that the designation of September 4, 2013 as the date of receipt of that check in my 2013 report was in error.

Specifically, as shown on the bank record & check copy attached to this letter, September 4 was the date that Southern Star cut the check, not the date that I received it. With Southern Star having cut the check in Kentucky, it is impossible for me to have received the check on September 4. Thus, the placement of this date on my report was in error and I have submitted an amended report with the correct receipt date.

My bank records further confirm my receipt of this check well after September 4, 2013. As the attached record confirms, I did not present this check for deposit until November 19, 2013, 2 ½ months after this September 4 date. While I am aware that I could have received this check prior to depositing it, the fact that I made five other deposits between September 4 and November 19, 2013 without depositing the Southern Star check provides substantial additional evidence that I did not receive that check on September 4, 2013. I have attached the September 13, September 21, October 9, October 12, and November 1, 2013 deposit slips to this letter.

Combined with the amendment of my 2013 receipts and expenditures report, please accept this letter as my compliance with the notification sent by your office. If you need anything further from me, please do not hesitate to ask. Thank you for all of the hard work that you do on behalf of the state of Kansas.

With many thanks,
