

To Whom It May Concern,

I received a letter in the mail on August 24, 2015 regarding excess campaign contributions for my 2016 primary campaign. The contributions questioned were \$50 over the limit for Mrs. Ann Ross and \$1,000 over the limit for Mr. Kevin Mullen. I have mailed Mrs. Ross her \$50 refund today, however, there is an explanation for Mr. Mullen.

On November 2nd, 2013 I received \$1,000 from Kevin Mullen and again on July 16th, 2014 I received another \$1,000 from Kevin Mullen. I inadvertently placed Kevin's name twice on the reports even though he's married to Nancy Mullen and both of their names are on the joint account checks. The 2014 report should have stated a \$1,000 contribution from Mrs. Nancy Mullen.

Sorry for the confusion this has caused.

Please reach out to me if you have any additional questions.

For Kansas,

Michael O'Donnell
