MS Renna: I believe that the following information and the subsequent email with a Schedule C report for the July Report will answer all your questions regarding errors or missing data. Should you have further questions or clarifications, please do not hesitate to contact us. Thank you for your assistance and patience in this matter. Now that we have an accurate report I do not anticipate any further errors or problems

January 2016 Report:

There was only one check from Linda Rottinghaus for \$100, the other was a \$100 check from Mark Loes, I inadvertently entered the Rottinhaus name twice.

The date of the check and the deposit for the check from Clarence Munsch was 12/29/15.

July 2016 Report:

Regarding Schedule C, I attached an incorrect Schedule C to the report, the correct Schedule C report is being forwarded under a separate email with the correct amount of \$17,432.09 shown.

On the last page of Schedule A we show two checks, one for Arnold and one for Loes. Those we listed inadvertently as they were work in progress by me to check other reports to ensure all names and contributions were posted accurately. We found the listing of Arnold on the July Schedule A and Loes from the prior report as indicated above.

October 2016 Report:

The Lage Check was reimbursed as it did exceed the allowed amount for that time period.

The check dates and addresses you asked for are listed here:
