KS Governmental Ethics Commission

I received a notification from the commission on Sept. 19th with four issues that my campaign needed to correct on my 2018 campaign report. This letter addresses two of those items.

1. Starting out with an incorrect balance was a mistake on my part and I have corrected my records. The difference was 114.00 and I discovered two contributions that were made to the Democrat party, one dated March 7th and another dated April 7th that I did not report. This leaves 14.00 not accounted for.

2. Items 2 & 3 I will repay my account and reflect on my 2019 report.

3. Schedule C report lists a \$204.54 reimbursement to myself for campaign expenses. Here is a list, all of which are less than \$50.00.

KCI airport parking CSG conference, 39.50

Parade candy 31.00

Ipad cover 41.64

materials bag for senate office 48.00

Sergeant of Arms senate fund 20.00

Democrat glasses 18.00

This leaves $6.23 + 14.00 = 20.23$ miscellaneous expenses.

I hope this is complete enough to address the issues concerning my campaign account.
