1. K.A.R. 19-29-3(a)(1) states that failure to use forms prescribed by the commission shall be considered material errors or omissions in a report. K.S.A. 25-4148 (e) further states that the Commission may require any treasurer to file an amended report for any period for which the original report filed by such treasurer contains material errors or omissions. An amended July 29, 2024 report must be filed on the correct reporting form.
2. The Schedule C (Expenditures and Other Disbursements) that was submitted for the July 29, 2024 indicated that the candidate paid for the expenditures. If the expenditures were paid from the campaign account, they will be reported on Schedule C. However, if the candidate paid the expenditures personally from his account, not the campaign account, they would be reported on Schedule B (In-Kind Contributions), not Schedule C. An amended report must be filed listing the expenditures paid by the campaign account on Schedule C and the expenditures paid by the candidate's personal account on Schedule B.

If you have any questions, feel free to contact this office.
