

10/15/2015

Carol Williams,

After review of my records, I did make an error and had the Brotherhood of Locomotives Engineers as having sent to checks on 7/23/14. They only sent one for \$500. The \$1000 check should have been credited to the Plumbers and Pipefitters Local 441 PAC on 7/23/14. I apologize for the error.
