1. Schedule A (Contributions and Other Receipts) of the July 28, 2014 report lists a \$100 contribution being received on 4-16-14 but no contributor listed. An amended Schedule A must be filed with the name of the contributor for the \$100 contribution.
2. Schedule A (Contributions and Other Receipts) lists a \$15 contribution on 6-25-14 with the notation "ANYBODY ANYBODY".

K.S.A. 25-4154 (b) states, "No person shall give or accept any contribution in excess of \$10 unless the name and address of the contributor is known to the individual receiving the contribution." An explanation of this contribution must be provided. If the campaign is not aware of the name of the contributor of this contribution, \$15 must be expended in a non-political manner since this would be an illegal contribution. An explanation of this contribution must be provided in a letter to the Commission.

3. Schedule C (Expenditures and Other Disbursements) shows expenses in the amount of \$102.69 for gasoline. Pursuant to Advisory Opinion 2007-14, the candidate can only be reimbursed for mileage at the state mileage reimbursement rate. The candidate can not be reimbursed for fuel. The Commission opined "due to the difficulty in determining the allocation of vehicle expenses between a candidate's personal use of a vehicle and the candidate's use of a vehicle for holding political office or for campaign purposes, the Commission now determines that beginning January 1, 2008, the use of campaign funds to pay for otherwise un-reimbursed vehicle expenses will be limited to the state mileage reimbursement rate." When claiming reimbursement for mileage from campaign funds, the treasurer needs to keep detailed records for mileage expenditures showing the dates of travel, the necessity for and specific purpose of the travel, and the actual mileage traveled. It will not be necessary for the candidate to reimburse the campaign account for the fuel purchased. However, in the future, please be sure reimbursement is for miles driven for campaign purposes at the state rate of 56 cents, not for fuel purchased.
