Governmental Ethics Commission

Dear Commission:

Per your letter of March 15, I have determined that the \$2,000 check contribution credited to Michael Haverty was actually signed his spouse Marlys Haverty. This contribution should have been credited to Mrs. Haverty. She is a homemaker.

In addition credit card contributions of \$2,000 on August 25 and \$500 on December 29 from David Lowenberg should have been credited to Mr. Lowenberg and his spouse Janice. She is retired.

If you have questions please feel free to contact me.

Sincerely,

L. Howard Wizig

Dear Commission:

In reviewing our year end report for 2017 I noticed two contributions from possible out-of-state political candidates.

Upon further checking, I determined a contribution from Friends of Tate Reeves dated October 10, 2017, and a contribution from Committee To Elect Dan Forest dated December 29, 2017 were from their campaign accounts.

As a result, I issued \$2,000 refund checks to both campaigns on February 8. These refunds will appear on our July 26 Campaign Report.

If you have questions please feel free to contact me.

Sincerely,

L. Howard Wizig  
Campaign Treasurer
