AMENDED

Karina:

We have attached the full detail of the contributions and discovery of how the error on our report occurred. The contributions were from two separate entities: one was the PAC for the Greater Kansas Building and Construction Trades on 7/2/2021 and the second was from the Council itself on 12/20/2021.

We have attached copies of the checks and the internal documentation. If there is anything else needed to ensure that we have resolved this issue please let us know and again thank you for your diligence.
