AMENDED

Dear Ms. Williams

Please attach the enclosed supplemental information to Schedule C of the October 30, 2006 Report as submitted by Treasurer Melvin Minor.

The information reflects invoices from the Kansas Press Association in the amount of \$12,822.36. Checks were written to the organization in the amount of \$13,136.16. The difference of \$313.80 reflects the failure of a few papers to print the submitted material. That amount was refunded to the Campaign by check and was reported as "other income."

I hope this action reflects the direction received by phone on July 10, 2007. Thank you.

Yours truly,

Jack Wempe
