To Carl Williams

My answer to you about my father's
to file is that there is no
organized committee and hasn't been
since Oct 9 '06. That is the date
of the last check I wrote that
cleared out our account.

That check - Amount of \$246.02 -
was written to "Nancy Boyda for Congress"
written on Oct 9 '06.

- No money - no committee -
