Dear Mr. Betts:

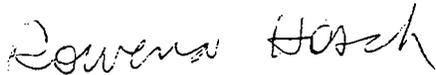

On September 24, 2008, the Butler County Democrats voted to contribute \$300.00 to your campaign for Congress and a check was issued to you.

We have received a letter from the Kansas Governmental Ethics Commission informing us that we were not allowed to contribute to a federal Congressional candidate and we regret that we need to request a refund from you of the \$300.00 immediately.

Please mail a check, payable to the Butler County Democratic Central Committee, for \$300.00 to:
