K.S.A. 25-4153 (f) states, "Any political funds which have been collected and were subject to the reporting requirements of the campaign finance act shall not be used in or for the campaign of a candidate for a federal elective office."

A review of the October 25, 2010 Receipts and Expenditures Report indicates the Cowley County Republican Central Committee made a \$1,000 contribution to Mike Pompeo, candidate for U.S. Congress.

Since the Act specifically states that a political committee may not make such a contribution, the committee must obtain a refund of this contribution immediately. The refund will then be shown on Schedule A (Contributions & Other Receipts) of the report filed by the committee for the time period in which the refund is received. A copy of the letter requesting the refund should be submitted to the Commission.
