Re: Political Party Filing Information – Pottawatomie County Democrats

I write as the only remaining officer (secretary) of the local Democratic Party. The others have all died or resigned, and I am about to move out of the County. We are, for all intents and purposes, unorganized.

I am confident that we neither received nor spent any money during the calendar year just ended. There were no events that involved expenditure of Party funds and no state elections involving candidates of the Democratic Party.

Sincerely,

Michael Oldfather, Secretary
Pottawatomie County Democrats
