To whom it may concern:

In response to your request, Osborne County has had no transactions during the past year. We do not wish to be registered at this time. Following the upcoming elections, we will have a reorganization meeting and let you know the new officers. We had tried to have one, but the only people who showed up was myself and my husband. We are not up for reelection, but will be sure to let you know once new officers are in place. Thank you.
