1. The computer printout used for Schedule A (Contributions and Other Receipts) of the January 10, 2010 report indicates all contributions were in the form of cash. It appears the wrong column was checked since all contributions were either from businesses, corporations and political action committees. If all the contributions were in the form of checks, please indicate that fact in a letter to the Commission.

2. Schedule C (Expenditures and Other Disbursements) must be amended to include the street or mailing addresses of all individuals and vendors to whom expenditures were made during the January 10, 2010 reporting period.

If you have any questions, feel free to contact this office.
