K.S.A. 25-4154 (c) states “The aggregate of contributions for which the name and address of the contributor is not reported under K.S.A. 25-4148 shall not exceed 50% of the amount one individual (other than the candidate or spouse) may contribute to or for a candidate’s campaign.”

The October 29, 2012 report indicates there was \$294 in contributions received during the reporting period when the name of the contributor was not known. K.S.A. 25-4154 (c) sets that limit at \$250 per election cycle. If a portion of this \$294 was received during the primary election period and a portion during the general election period, a **letter of amendment** must be filed stating how much was received in each election period. If the campaign is unable to determine how much was received in each election period, the campaign accepted \$44 in illegal contributions and a donation in that amount must be made to a non-political organization (i.e., a charity). If a donation is made to a charitable organization, the disposition of the \$44 will be reported on Schedule C (Expenditures and Other Disbursements) of the January 10, 2014 Report.

If you have any questions, feel free to contact this office.
