Re: Expenditure Report

Dear Sirs:

Pursuant to K.S.A. 25-4150, please be advised that I expended, during the period beginning 11 days before the general election and ending on December 31, 2006, inclusive, the sum of Nine Hundred Five Dollars and Fifty-Seven Cents (\$905.57) of my personal funds to advocate the election of Walt Chappell to the office of State Representative of the 91st Legislative District of the State of Kansas. This expenditure was made to The Wichita Eagle, 825 East Douglas, Wichita, KS, on the 29th day of November, 2006, and paid the expense of printing and mailing a personal letter from me to various residents of the 91st District. No others sums were expended by me on behalf of any candidate during this period.

If you should need anything further of me regarding this report, please let me know.

Very truly yours,

Henry H. Blase
