In addition, you may not accept contributions or make expenditures following the end of the thirty (30) day period if the amended report has not been filed.

1) Schedule A (Total Contributions and Other Receipts) does not list the dates when the contributions or other receipts were received.

K.S.A. 25-4148(b) "states each report required by this section shall state: ... (2) the name and address of each person who has made one or more contributions in an aggregate amount or value in excess of \$50 during the election period together with the amount and date of such contributions..."

An amended **October 27, 2008** Receipts and Expenditures Report must be filed to list the dates of when the contributions or other receipts were received.

2) There is a \$240.00 calculation error in the ending balance on the October 27, 2008 report. The correct amount of cash on hand at the close of the period (line 5 ) should be \$14,785.24 not \$14,545.24 as reported. An amended October 27, 2008 summary page must be filed to show the corrected ending balance. Also, the new ending balance must be carried forward to the January 10, 2009 Receipts and Expenditures Report. Therefore, an amended **January 10, 2009** report must be filed.
