A review of the October 25, 2010 Receipts and Expenditures Report indicates the Kansas Committee for Rural Electrification made a \$500.00 contribution to Yoder for Congress.

K.S.A. 25-4153 (f) states, "Any political funds which have been collected and were subject to the reporting requirements of the campaign finance act shall not be used in or for the campaign of a candidate for a federal elective office."

Since the Act specifically states that a political committee may not make such a contribution, the committee must obtain a refund of these contributions immediately. The refund will then be shown on Schedule A (Contributions & Other Receipts) of the report filed by the committee for the time period in which the refund is received. A copy of the letter requesting the refund should be submitted to the Commission.
