1. The beginning balance on the July 26, 2010 report was used as the beginning balance on the October 25, 2010 report. Because of this error, the beginning balance on the October 25, 2010 report is understated by \$894.00. An amended October 25, 2010 cover sheet must be filed to show the correct beginning balance of \$5,041.12.
2. The contributions and other receipts listed on Schedule A, were reported on both the July 26, 2010 and the October 25, 2010 reports. An amended October 25, 2010 report must be filed to remove the contributions that were already reported on the July 26, 2010 report. An amended cover summary page must also be filed with the correct totals.
3. One expenditure listed on Schedule C, was reported on both the July 26, 2010 and the October 25, 2010 reports. An amended October 25, 2010 report must be filed to remove this expenditure that was already reported on the July 26, 2010 report. An amended cover summary page must also be filed with the correct totals.
