According to the reports filed with the Secretary of State, Gail Finney reports making three payments to the Democratic House Campaign Committee for consulting services. These payments were not reported as being received by your committee. If the payments were received, they must be reported on Schedule A (Contributions and Other Receipts) of the October 25, 2010 report. This error will cause the cash balance on the front page summary sheet to be incorrect. Therefore, an amended front page summary sheet must also be filed. If the committee did not receive these payments, please note this fact in a letter to the Commission.
