**Notification of Material Error and Omission**  
**In a Receipts and Expenditure Report**

RE: Receipts and Expenditure Report due January 10, 2024  
(Covering the period from January 1, 2023, through December 31, 2023)

A review of your Receipts and Expenditures report identified above indicates the material errors or omissions **listed on the other side of this page**. Such errors or omissions must be corrected within thirty (30) day of the date of this notice by filing an amended report.

File the amended report with thirty (30) days with:

Secretary of State

As provided by law, a copy of this notice has been made a part of your record in the Secretary of State's Office. The intentional failure to file an amended report within thirty (30) days is a class A misdemeanor. In addition, you may not accept contributions on or make expenditures following the end of the thirty (30) day period if the amended report has not been filed.

Additional information and assistance may be obtained by contacting this office. If after having contacted this office substantial issues remain unresolved, you may within ten (10) days of receipt of this notice request a hearing before the Commission.

Sincerely,

A handwritten signature in black ink that reads "Denise Davis".

**Errors/Omissions:**

- 1.) On your summary page you show for schedule A \$446.00 in contributions but when listed on schedule A you have the first page showing \$170 in contributions and the last page showing \$45.00 in contributions for a total of \$220.00. You need to show all money being contributed and this needs to be amended to show accurate contributions.
- 2.) Your schedule C on the summary page says you made expenditures in the amount of \$400.19, then when listed out on the Schedule C page you only show an expenditure amount of 394.29. This report needs to be amended to show the proper amount of expenditures and the proper totals.
