Hi Jessica,

Thank you for taking my call earlier today. I am the Chair of the Fourth District Republican Committee. We recently received a letter from KS SOS stating there was a possible discrepancy in our 2017 finance report. On 3/30/17, the Sedgwick County Republican Party reported that we, the Fourth District Republican Committee, reimbursed them for \$737. The Fourth District did not actually reimburse them. We held a joint even in which we passed the hat for donations. We split the donations, SCRП taking the \$737 and we took our portion (which is included in our 2017 report). At no time did we, the Fourth District, deposit the \$737 or write SCRП a check for \$737. They did receive the money, but it did not come from the Fourth District. It actually came from the pass the hat.

Please let me know if this is a sufficient explanation. I would be happy to provide any other info.

Thanks again.
Keith
