Re: Civil Penalty Assessment

Dear Mr. Rasure:

This communication is an attempt to collect a debt and any information obtained will be used for that purpose.

On March 19, 2008 , the Governmental Ethics Commission assessed a civil penalty against you in the amount of \$300.00 for the late filing of the January 10, 2008 Receipts and Expenditures Report as required by K.S.A. 25-4148. A copy of the Civil Assessment Penalty Order, which was delivered to you on April 7, 2008 by certified mail, is enclosed. Due to your failure to respond to the Commission's repeated requests for payment, said assessment has been referred to me for collection.

The purpose of this letter is to provide you with a final opportunity to pay the assessment against you prior to my filing a suit for collection of the amount.

If you wish to resolve this matter prior to a lawsuit being filed, please send a check in the amount of \$300.00 payable to the State of Kansas to me at the above address within thirty days of the date of this letter, or contact me within the same time period to make arrangements for regular payments to be made to pay this debt.

If I do not receive payment or hear from you, I may proceed with a court action against you to enforce the Commission's civil penalty.

Sincerely,

Judy A. Moler
General Counsel
Kansas Governmental Ethics Commission
